Introduction to the Islamic Empires (chapter 6, sections 1 and 2)

1. How did early Arab groups organize themselves? How did they live?

2. What was early Arab religion like? (pg. 192)

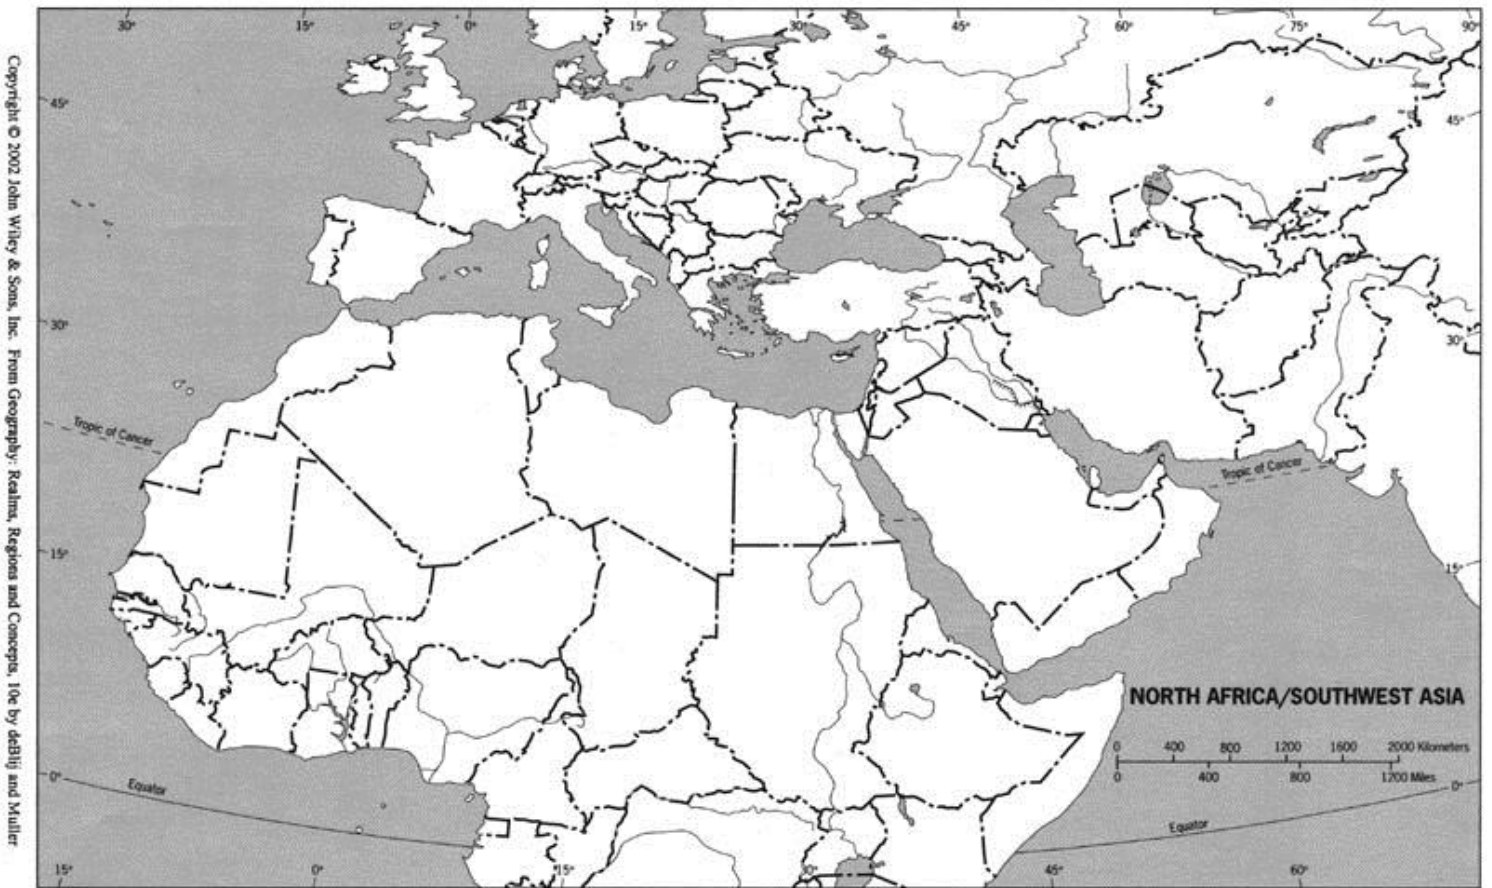

3. Make a timeline of Muhammad's life below. Include at least 5 major events.

4. As you read about Islam, make a list of characteristics about it that are similar to other religions we have studied.

5. Spread of Islam

On the map on the back of this sheet, draw and label the spread of the Islamic empires on the map provided. (pg. 197). Use the reading to label the different colors/expansion with what empires they are associated with.

6. Use the rest of the section to give three reasons why the Islamic empire was able to spread so far so quickly.
