## Short and Sweet interwar period non-European presentations

Each of you will be placed in one of the following groups:

1. African colonies (pages 786-788)
2. India (pages 788-789)
3. Japan and Southeast Asia (pages 789-791)
4. China (pages 793-797)
5. Latin America (pages 801-803)

Each group should:

- Read the pages (these can be divided amongst trustworthy group members) and take notes on them. These notes should discuss: what happened in your region after the war? What was the economy like? The government?
- In your groups, discuss what happened. What was the story? Who were the major people involved? Fill out your portion on the back of this sheet.
- Construct a presentation to share with others what happened in your region. This could be a short skit, a news report, or a poster presentation (a SWEET poster). All presentations should include a visual.

You have 25 minutes to prepare, so stay focused.

As you present, others will take notes on your presentation, so be clear, concise and accurate.

Region/Country	Summary of what happened in your region. Include economic, political and social changes during this era (1918-1938)	Important people/groups in your region. Explain what these groups did, why they are significant.	Overall, how could the interwar period lead to instability or war in your region? (World War II, hint, hint).
