Politics in Europe, 1500-1750 AD (CE)

Chapter 14

1. Use your past unit charts to **describe the government or politics in Europe** up to the 1500s. Be sure to include how the major countries were created. You may have to also look in **chapter 9**.
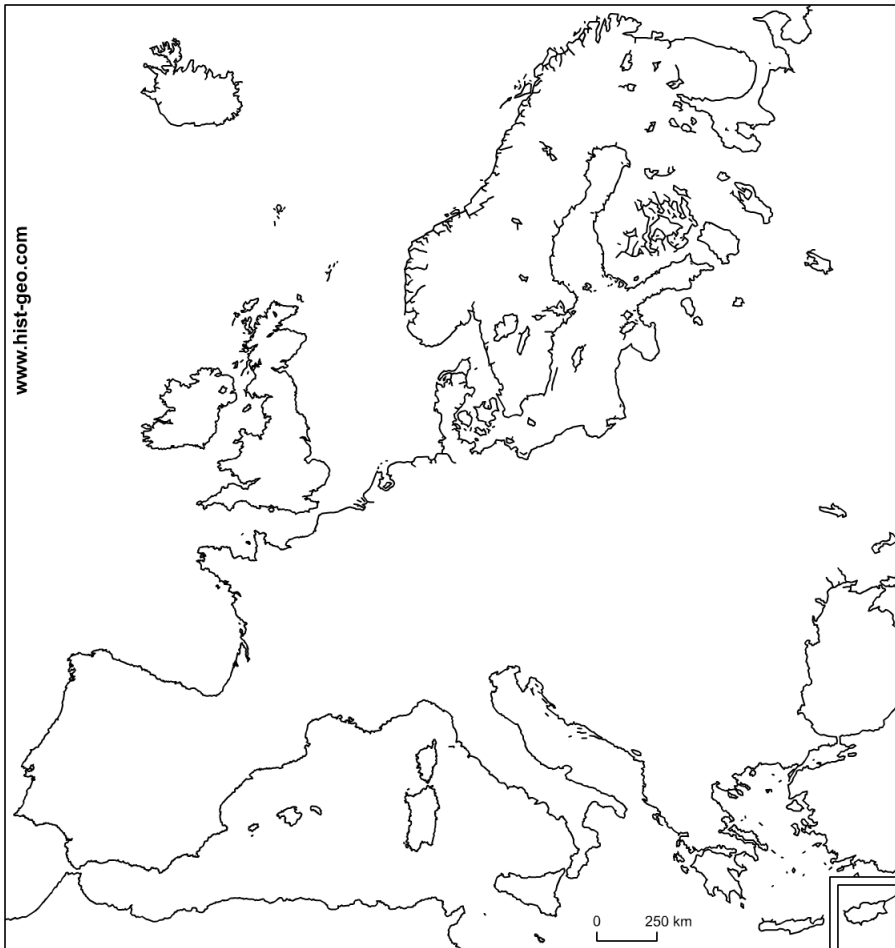

2. Fill in the chart below using chapter 14 (434).

Country	Role of religion in the government/ religion the government supported	Famous Monarchs (or other leaders)	Wars and a brief explanation of what happened	Accomplishments during this time period
France (429-430, 441-444)				
Spain (430-431)				
England (431-432, 437-439)				
Prussia (444-445)				
Austria (445)				

3. Why was there an increase in witchcraft trials in Europe during this era?

4. What was the Peace of Augsburg? (page 393) What did it hope to accomplish?

5. Explain the Thirty Years' War. What caused it? Who was it between? What was fighting like? How did it end?

6. Label the map to the left showing Europe after the 30 years war (using page 437).

7. Overall, how did politics in Europe change from the Middle Ages through the end of the Renaissance? Use the word "absolutism" in your answer.
